

## About IEEE WiE

IEEE Women in Engineering (WIE) is a global network of IEEE members and volunteers dedicated to promoting women engineers and scientists, and inspiring girls around the world to follow their academic interests in a career in engineering and science.

IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity.

## Mission & Vision

Our goal is to facilitate the recruitment and retention of women in technical disciplines globally. We envision a vibrant community of IEEE women and men collectively using their diverse talents to innovate for the benefit of humanity.

## About WiE AG - Kerala Section

Kerala Section WIE affinity group has always been an active and vibrant group with passionate volunteers. Membership status and quality of programs have shown a tremendous hike in the last two years. Apart from the usual chores of WIE Congress and face to face meetings, WIE Star and WIE Week Celebration are also key highlights. Each year is showcased with new initiatives and an ocean of ideas bringing benefits and development to the society .
